FENCE PERMIT

All fences shall be built in conformance with Section *17.30.209 Fence Requirements* of the Burlington Zoning Code and shall conform to the construction standards of the adopted Building Code.

Fence Permit Fee: $25.00

Petitioner Information

Name: _____ Phone: _____

Address:_____

Description of Fence (height, type and location of fence): _____

_____

CALL - *Iowa One Call* to locate underground utilities prior to construction: **1-800-292-8989**
A permit will not be issued until a confirmation number is recorded on this application, verifying utilities being located. ***Utility Locate Confirmation #*: _____**

The fence at the above location will be constructed to meet all applicable code requirements and will be constructed as described in this petition and site plan. Any fence found to be constructed in violation of the code requirements or found to be located over an easement or property line may be required to be removed or altered at the owner's expense. All information in this permit is deemed accurate; any map provided by the City is not guaranteed to be correct and does not substitute for a property survey.
