

Burlington Fire Department

Monthly Report

August 2016

“The Mission of the Burlington Fire Department is to provide for the fire and life safety needs of the community in the most professional, courteous, and efficient manner possible.”

Operations

We had 404 calls for service in August with 302 of those calls being in the city limits of Burlington. There were 111 overlapping calls, meaning 3-4 times per day there were multiple calls happening at the same time. Our average response time for EMS calls was 5 minutes and 40 seconds in Burlington. This includes both emergency and non-emergency calls. Our average response time for structure fire alarms was 4 minutes and 38 seconds.

We received an Assistance to Firefighter's Grant (AFG) to help purchase 3 new heart monitors. The grant will provide up to \$87,273 with a 10% match required. This grant will allow all 5 ambulances to be equipped with the capability of taking and transmitting 12-lead EKGs. Congressman Dave Loebsack stopped by Central Station to congratulate the department on the award.

We also received the Iowa Donor Network (IDN) LEGACI Award for Education. The award is given to IDN partner agencies that go above and beyond in helping to fulfill their mission.

Training

There were 414 hours of training completed in August. All three shifts received the 4-hour Amtrak training “Passenger Train Emergency Response” which was presented at Central Station. Doug Ferguson from the EPA presented an 8-hour course called “Is This a Homemade Explosives Lab or a Drug Lab?” also at Central Station. All EMS personnel completed the required quarterly skills review. Several members were able to complete a hazardous materials training session with Impact 7G at Southeastern Community College.

Fire Prevention

In addition to several ongoing fire investigations, Fire Marshal Crooks completed 31 inspections in August. Fire Marshal Crooks and Battalion Chief Workman traveled to Springfield, Illinois to staff the fire prevention area at the Illinois State Fair. Crews installed 16 smoke alarms in August.

Other Activities

- Crews provided in-water standby for several days of Great River Bridge maintenance work.
- Several members attended and participated in the Boots vs Badges fundraiser at Community Field.
- Deputy Chief Ryan attended the Salamander ID card training.
- Crews pre-planned the Jefferson Street Bakery.
- Chief Trexel and Deputy Chief Ryan met with representatives from the Insurance Services Office (ISO) as part of the ISO rating process.
- Battalion Chief Workman, Chief Trexel, and Deputy Chief Ryan attended the Des Moines County Firefighter's Association meeting.
- Chief Trexel attended the Stroke Task Force meeting at GRMC.

Respectfully Submitted,

Matt Trexel

Fire Chief
